Wesley International Academy

THANK YOU!

Wesley International Academy is a Title 1, public charter school serving students kindergarten through eighth grade, located in Southeast Atlanta. Wesley International Academy strives to educate internationally minded students capable of leading and thriving in today's interconnected global environment by participating in the International Baccalaureate Program, having gender separated classrooms, and by offering Mandarin Chinese as a second language.

Being a charter school, we rely heavily on fundraising through our PTA to supplement federal funding to provide the best educational opportunities for our students. We hold an annual auction every spring to raise money for the following school year. Last year our auction raised enough money to provide several Interactive Whiteboards for our school, provide school supplies to our teachers, educational workshops for both teachers and parents, pay for many fieldtrips and fund our Green and Healthy school initiative.

Please help us continue to make a difference by offering superior education to our students by making a monetary donation or by donating a new good or service to our annual auction on March 10th, 2012. Your generous contribution will be seen by every guest in attendance, and will be acknowledged in the monthly PTA newsletters . All donations are 100% tax deductible. We would also love for you to attend our auction, which is free!! Please visit www.wesleyacademy.org or like our facebook page at <https://www.facebook.com/WIAAuction> for more information.

Thank you in advance for helping Wesley International Academy achieve our goal to foster the development of the whole child by providing the knowledge and skills needed to be life-long learners and responsible global thinkers.
